Spready Mercury

We had a very special treat this morning. The Shropshire Council gritting lorry "Spready Mercury" came to visit school. We had a photo with our own Spready Mercury Salt Spreader and Year 3, alongside Hugo who chose the name for the school spreader.

Reception class, who are doing a topic about People Who Help Us, also had the opportunity to go and look closely at the gritting lorry and to talk to the driver.

Year 5 / 6 Indoor Athletic Team

Well done to our year 5/6 Indoor Athletics team on their performances this week resulting in Castlefields being awarded the RESPECT award for sportsmanship and fair play.

The boys team came 6th overall; the girls team narrowly missed out on top spot, finishing in second place and winning silver medals.

Year 3 Indoor Sportshall Athletics

Well done to Year 3 for taking part in Sports Festival at the Endowed School on Wednesday. They were super. I would also like to congratulate them on their sensible behaviour on the rather icy walk back to school.

School Dinners

Please can we remind you that school dinners should be paid for on the day or by the end of the week at the very latest. School is currently carrying a dinner debt in excess of £300 which we are unable to continue to do. Whilst we do not want to ever refuse a school dinner, we cannot continue to allow debts to roll over from week to week. If you are in financial difficulties, please do come and speak to us.

Mrs Lendrum wanted us to pass on her thanks. We had incredibly high numbers of children having school lunch on Census Day. She is really appreciative of the support you show.

Wolves Women v West Ham Women

There is a big game this weekend, on 29th January at AFC Telford where Wolves Women play West Ham in the FA Cup – they are from the top tier so should be an excellent game. It would be nice if for a big crowd to support them. Please see the attached flyer – which includes a QR for ticket link.
