WELCOME

Welcome to Friends of Castlefields first newsletter of the 2022 school year.

We have recently held our first AGM and general meeting. It was really exciting to see so many new people and welcome our new members. If anyone else would like to join the committee or help by volunteering at one of our events, you are more than welcome. Help is appreciated in any way so even if you can't help at one of our events or don't have much time, we would love to hear of any ideas you may have to help raise funds for our childrens school.

We are planning some exciting events this year.

FUNDRAISING AIMS

We continue to raise funds for an outdoor trim trail for our Key Stage 2 children..

This year we have been asked by school given the current cost of living crisis to fundraise and contribute to our childrens school trips making them accessible and inclusive for all.

We hope that you can support us in this.
