Register for My School Fund, link your card and spend over £5 in participating retailers by the end of November to be entered into our prize draw for a chance of winning £100 in Sainsbury's card-linked rewards!

What is My School Fund?

This exclusive scheme has been created by ESPO, in association with Sainsbury's and Argos, to give schools and their network of parents, guardians, carers and staff an opportunity to make savings whilst also boosting their school's budget.

By registering and linking your card, every time you make a purchase with a participating retailer, you will receive 2% in cashback rewards on any eligible purchases, and your school will receive 1% too!

With an increase in the cost of living and the ever-tightening budgets that schools are faced with, even the smallest of savings can help make a difference.

This autumn, we're offering anyone who links their card during the promotional period and spends over £5 in store, the chance to win £100 in Sainsbury's card-linked rewards to their My School Fund account! There are 25 chances to win, so what are you waiting for?

How do I enter the prize draw?

Getting involved is simple and easy, just take the following steps and you will be automatically entered into our prize draw. New and already registered accounts are eligible as long as you haven't registered a card already.

1. Head to myschoolfund.org and register for an account.

Don't worry if your school is not already registered, any school with an ESPO account can join My School Fund, so let them know about our scheme and encourage them to join! If you already have an account but have not yet registered a card, you can skip to the next step.

2. Link a card on your account.

This step is very important, as without it you won't be eligible for the prize draw and you won't earn any cashback rewards on your purchases. We recommend linking the one you use the most often so you don't miss out on cashback!

3. Spend as usual either online or in store at any participating retailer.

Once your card is linked, you don't have to do anything else, your account will start building cashback rewards as you shop. You will automatically be entered into our prize draw if you have spent over £5 in store or online before 30 November 2022.*
