## Sports Day

What a brilliant day we had for Sports Day on Wednesday. The weather stayed dry for us and how wonderful it was to see all of our children - from nursery to Y6 - taking part, having fun and showing determination and sportsmanship across all the events they completed.

Congratulations to all of our individual winners and to Dolphins house on being the highest scoring house overall - your trophy will sit proudly in the hall until next year!

## Lunchtime Clubs

2 new lunchtime clubs (Pokémon and Craft club) have been setup this week - established and led by some of our Y5s. Thank you to Layla and Henry for setting these up and using their own initiative.

## Shropshire Sings

The School Choir took a trip to the West Midlands Showground on Tuesday evening to take part in Shropshire Sings. They had an amazing time and were an absolute credit to the school. Well done Choir!

## This Week's News

### Year 4 Cookery

As part of their topic on a healthy body, Year 4 enjoyed a cookery session with a Chef.

### Year 6 Forest School

This week in forest school, Y6 built replicas of Stonehenge from natural materials – inspired by their class book, 'Who Let The Gods Out'.

## Early Years

The Early Years have been getting very muddy and green fingered this week as we have been revamping our planting area. We have removed all the weeds and planted all the seedlings that we have been growing in class. Now we just need to practice patience and wait for everything to grow!

# COLOUR RUN

We hope that everybody has a fabulous time at the Colour Run on Saturday! Thank you to everyone who has kindly donated a coloured item for the raffle, bought raffle tickets and for the PTA for organising such a fun event.
