### **PLATINUM SCHOOL GAMES MARK**

We are proud to announce that we are the first ever primary school in East Shropshire to be awarded a Platinum School Games Mark in recognition of our work in PE and sport. To earn this, we have achieved a Gold Award for 5 consecutive

years. We are proud to offer whole school events such as a mini marathon, fun runs and a competitive sports week. This year, 100% of our KS2 children have attended at least 1 sporting competition with over 70% attending at least 2. In KS1, all children have had the opportunity to attend competitions also. Our Sports Leaders programme has been successful in delivering intra-house competitions across the school.

A huge well done and thank you to all of our children for taking part in all of our competitions and event this year and a huge thank you to all of our parents who have supported and transported your children to events across the county.

This award reflects the hard work and commitment from everyone and we are incredibly proud.
