## AFTER SCHOOL INFLATABLE GAMES FUN!

In 2023 the PTA paid to rent some inflatable games.

Sadly due to weather conditions they had to cancel, but the company kindly held the booking.

Due to the delay on the KS Trim Trail/Clamber Stack installation, the PTA have arranged for the inflatable games to be at the school all day on Friday the 5th of July 2024 for the children to enjoy in school time as a thank you for all the fundraising that's been done!

These games will then remain on site until 5pm, so we would love to invite your children to stay and play after school!

Please note - parents/carers must still come and collect children from school at the usual time, and you must supervise your own children whilst using the games!

There will **not** be teacher/volunteer supervision from 3:15pm!!!

## The Inflatable Games will be FREE to use!

The PTA will also have a stall selling drinks and snacks, so please bring small change/cards.
