Queen Elizabeth II

It was with great sadness that we heard of the death of Her Majesty the Queen. Queen Elizabeth II was a remarkable monarch, who dedicated her entire life to the betterment and service of our country and its people. Her wise leadership and graciousness will be remembered by all. Today and over the coming weeks, we will address questions with the children, and celebrate her life. If appropriate, there may be some quiet reflection time in classes. While showing respect, we will also celebrate and remember her life of service through art, writing, poetry, music or something creative.

Welcome Back

What a lovely start to the new school term. School has been a really happy, positive place to be. The children have already settled in well, and it has been great to see so many smiles.

School Uniform

The children all looked super in their new school uniforms. We would like to remind you that the Friends of Castlefields run a second hand uniform shop. If you have any items you wish to donate please let us know.

Start of Day

Please note that classrooms are not open before 8.45am. We cannot guarantee that staff will be available before this time, as they are busy organising the working day and are sometimes involved in meetings.

If you need to bring your child to school earlier, then please book a space in our Breakfast Club.

Bags in School

We have conducted a Health and Safety walk around school and would like to request that children limit the amount that they bring into school. Some bags are huge and we really do not have the space to accommodate them.

Medication

All children with inhalers and epi-pens in school must have an up to date Care Plan completed and signed by the parent/carer and school. Any other medication that needs to be kept in school must have a consent form completed. It is also very important that school is kept up to date with changes to medical history.

Emergency Contact Details

If you have changed any of your emergency contact details please can you inform the school office. This may include mobile and house phone numbers, addresses and alternative emergency contacts.

Nut Free School

A reminder that we are a Nut Free School. It is really important that your child does not bring food that contains nuts into school. This includes items such as Nutella.

Pupil Premium

You may not be aware that you may be able to qualify for 'free school meals' and funding. By qualifying for free school meals, the Government will also provide school with additional funding. We can use this to improve the quality of education to support or enhance your child's learning such as extra tuition or support towards the cost of school activities eg school clubs, trips, music lessons etc.

All children in KS1 (Reception, Year 1 and Year 2) are automatically entitled to have a 'universal' free school meal. You don't have to apply for 'universal' free school meals. However, in order for us know who might also qualify for the Government's 'free school meal' for funding as detailed above, we encourage all parents (from Reception to Year 6) to apply **even if your child does not wish to receive a 'free meal'**.

No one will know (including School) if you have registered and it will not affect any other benefits. No child is discriminated against because they receive this extra funding and in school it is not apparent in any way who does and who does not have funding.

If you are unable to access the website we will happily help you complete the form in school. This will be treated confidentially.

We would therefore encourage all parents to complete a short application form online at:

<https://www.shropshire.gov.uk/free-school-meals/>

Breakfast Club

We still have a few places available in Breakfast Club. Please contact the school office if you wish to book your child in.

Wrap Around Care

We have made the decision to change the pricing structure for our Wrap Around Care.

From 3.15 - 4.15 the set price is £5

From 4.15 - 5.30 the cost is a further £5

This means the maximum cost of the session will be £10.

Hopefully this will help a little with the cost of living. If you wish to book your child in to Wrap Around Care, please let the school office know. Places are filling up quickly, especially on Thursday afternoons.

Reading Helpers

We would love to invite helpers back in to school to hear children read. If you think you could commit to a weekly session in school please talk to Mrs Lee (I am normally out on the gates in the mornings) or contact the school office. You will need a DBS for our school, but this can be arranged.

Friends of Castlefields

A PTA meeting is being held at school on Wednesday 14th September at 7.30pm. We would really like to see new faces at this meeting, and everyone is welcome. As a school, we benefit so much from the fundraising efforts of the PTA. They also offer many "extras" for the children of Castlefields, including movie nights, party days & discos.

Nursery Places available

Please help us to spread the word that we still have some Nursery places available.

Roald Dahl Menu

On Wednesday 14th September there is a change to our published menu. Please see the attached menu.

Please also find attached the new menu. This can also be found on the school website.

School Photographs

On Monday 3rd October and Tuesday 4th October all children in school and Nursery will have individual and sibling photographs taken.

For children with pre-school siblings, photos will be on the Tuesday or Wednesday morning. Please book an appointment at the office. These photographs will take place between 8.15 a.m and 9.00 am. Also, Nursery children not in school on those days will need to make an appointment if required.

If your child normally has forest school/PE please ensure they are in uniform and bring their change of clothes with them. Thank you.

There is no obligation to purchase photographs, but I'm sure you will appreciate the effort Dave Liddle is taking.
